# WELCOME BACK TO THE OAK FAIR!

Hello and welcome back to the Oak Fair here at Stock Gaylard.

As always here at Stock Gaylard, we have been busy keeping things running (as smoothly as possible!) and we are so happy to be able to put on this event once again. Last year's event only feels like yesterday, it's amazing how quickly time flies.

For all our returning visitors, I hope you will be able to find your favourite stalls as we do try to keep the show roughly as it was, but I also hope you find our newcomers who have joined the Oak Fair Family and give them a big welcome. And for all our new visitors, welcome! Please enjoy the fair that has become the annual highlight for many of us.

As always, we pride ourselves on how tidy our show is and so please can you keep up the good rep and put all your litter in the bins provided around the site.

This year we would really like to raise awareness of the Dorset & Somerset Air Ambulance. Following an accident on the farm last September we are forever thankful for their quick response. I personally managed to raise over £7,800 for them and this year the Oak Fair will be making a donation from the event profits. I hope that you are all able to spare a pound or two to them on your way out (located near the Crusader Oak) and I challenge you all to beat my efforts for the sake of saving a life.

All in all, please relax and have fun. There is plenty to see, eat, drink and buy and I hope that you can find something to remember us by. Maddie and I will be around the show office throughout the day if you want to say hello.

With any luck we will all be able to have a drink in the Beer tent later to celebrate another successful fair.

All the best,

**Jack**

Jack Langmead (Event Organiser)

## ANCIENT TREE TENT

### JULIAN HIGHT - AUTHOR

Julian Hight has travelled widely, camera in hand, to document and tell the stories of historic ancient trees. He will be presenting 'walks and talks' at 11.30am and 3.30pm on Saturday and Sunday, starting at the 'Ancient Tree Tent'. Julian will explore the story of Britain's ancient forest told through its remaining ancient trees and surviving customs – living links to our rich history, followed by a short walk to meet some of Stock Gaylard's magnificent ancient trees. Signed copies of Julian's lavishly illustrated books: Britain's Tree Story, World Tree Story and his most recent title: Britain's Ancient Forest – Legacy and Lore will be available throughout the weekend, the latter of which includes an online link to download specially written forest music.

Chair of Wessex Ancient Tree Forum, Julian presents regular talks and appeared as judge on Channel 4's Tree of the Year TV programme, and is a verifier for the Woodland Trust Ancient Tree Inventory. He launched the Reviving Selwood Forest project in Somerset and campaigns for ancient trees and woodland. [www.britainsancientforest.co.uk](http://www.britainsancientforest.co.uk)

 Walks will take place at 11.30 am & 3.30 pm on both days from his stand in The Ancient Tree Tent next to the Show Office.
